

PLEASE GIVE THIS SHEET TO YOUR BUS DRIVER

BUS PARKING DIRECTIONS: Unload students and lunches at the Pack Place drop-off area in front of the building on Pack Square. Students enter in the front ENTRANCE of Pack Place.

After students unload, pull out of the Pack Place drop-off area and, at the first stoplight, turn right onto South Market Street. Proceed down South Market Street to the area below the Pack Plaza parking deck entrance. There is space for two buses to park on the street beside the deck. **DO NOT PARK ALONG YELLOW LINES. DO NOT BLOCK THE FIRE HYDRANT - PARK PAST HYDRANT SIGN.** If these two spaces are full, turn left at the stop sign onto Eagle Street and park your bus in the paved lots of Mt. Zion Church (right side of street). If these directions are unclear, please refer to map.

Do not park in the Aston/Biltmore City of Asheville Parking Lot—these spaces are rented by individuals.

PRIVATE PARKING—Vehicles other than a school bus may park in any of the spaces in the Aston/Biltmore City of Asheville lot which are not already identified by a sign or other marking as rented spaces. The cost is \$.25 for 1 hour.
