

**PLEASE GIVE THIS SHEET
TO YOUR BUS DRIVER**

Wortham Center for the Performing Arts Matinee Series Bus Unloading and Parking 2019/2020

Please note our drop off location for buses has changed! To keep students safe and traffic flowing, please let the box office know:

1. How many buses you will bring
2. If the buses will park on site
3. If you need a handicapped accessible loading/unloading spot

We use this information to plan bus parking for your school. If your driver does not plan to stay on site, please do not request parking. Bus parking spots are available one half hour before performance time and must be vacated as soon as the performance you are attending has ended. We often have multiple performances in one day and will need your bus parking spot for a school attending the next performance.

The new Check-In site for buses is on South Market St. beside the Asheville Fire Department. Your students and teachers will unload and enter the Center through the Courtyard at this location. Bus drivers will be directed to parking spots from there. After the performance, students and teachers will walk to where your buses are parked to re-load. All bus parking is within a block of the Wortham Center.

If you have questions about bus unloading or parking please call our Box Office at 828-257-4530, ext. 1 or email boxoffice@worthamarts.org.
