

The Diana Wortham Theatre

Y.E.S. Emerging Artists Fund

Diana Wortham Theatre is proud to support young performers by providing scholarships for graduating high school seniors pursuing a career in the performing arts. A limited number of scholarships beginning at \$1,000 each will be awarded to finalists during a special concert on May 4, 2019 at the Diana Wortham Theatre. Participants have the opportunity to perform a segment of their work at this event.

About the Y.E.S. Fund

The Emerging Artists Fund is an outgrowth of the Y.E.S. (Youth Education Scholarship) Fund, which was created to make it possible for underserved students to attend Diana Wortham Theatre school programming. Scholarships, made possible by private donors, cover the cost of admission and are available to students on a free or reduced lunch program. The Y.E.S. program expanded in 2015 to cover artist workshops in local schools and in 2016 to support the Emerging Artists Fund.

Who can apply for the Emerging Artists Fund?

Any student graduating from high school in 2019 may apply. Applicants must currently be permanent residents of Buncombe County, must intend to pursue a career in the performing arts, and must receive a recommendation from a teacher, instructor, or mentor. If you have a question regarding eligibility, you may call 828-257-4512.

Emerging Artists Fund Application

The video audition is an important (and fun!) part of your application. Please do not hesitate to ask for help if you are confused or have questions about the technical side of this process or require access to digital tools.

VIDEO INSTRUCTIONS

Please submit a short video including the following elements:

1. Introduction: Give your name. Explain how you will change the world with your art. Be creative. Don't be afraid to let your personality shine! (60 seconds or less)
2. Audition: Perform a selection of a piece. (4 minutes or less)

TECHNICAL TIPS

Have someone else record you or use a tripod. Don't hold the camera yourself. Please shoot landscape (horizontal) and not portrait (vertical). When shooting indoors, make sure to turn on all the lights, with particular attention to front light. Do not record in front of a window with sunlight streaming in behind you. This will cause silhouetting and make it difficult to see your face. When shooting outdoors, avoid shooting with the sun directly behind you; this will cause silhouetting as well. Make sure you can be heard. Speak loudly and clearly. Remember to save a copy of your video on your computer.
